MIRALITE® ANTIQUE

Aged mirror

A VINTAGE LOOK FOR INTERIOR DECORATION

**MIRALITE® ANTIQUE and MIRALITE® VERSAILLES
are decorative interior mirrors.**

Their appearance is the one of an aged mirror.

**This permanent effect is obtained during production,
by playing on the uniformity of metal deposit.**

ADVANTAGES

ORIGINALITY OF THE DECORATIVE PATINA

Through their decorative aspect, MIRALITE® ANTIQUE and MIRALITE® VERSAILLES give a traditional image and a touch of refinement to the rooms or furniture where they are integrated.

SIFTED REFLECTION

MIRALITE® ANTIQUE and MIRALITE® VERSAILLES reflect a soft and warm light which is highly appreciated in the world of interior design.

RESISTANCE AND DURABILITY

Manufactured by an industrial mirror process, MIRALITE® ANTIQUE and MIRALITE® VERSAILLES are durable and resistant to standard glass cleaning products.

APPLICATIONS

Interiors.
Sliding doors, wall covering,
furniture surfaces, framed mirrors.

SAFETY

On request, a protective film can be placed on the back of the mirror (contact us).

TRANSFORMATION, IMPLEMENTATION

MIRALITE® ANTIQUE can be cut and is transformed like a mirror.
For gluing, use glue mirror and/or mirror adhesive, in compliance with the professional practices and regulations.

RANGE

The range consists of 4 harmonious shades:

1. MIRALITE® ANTIQUE clear
2. MIRALITE® ANTIQUE grey
3. MIRALITE® ANTIQUE bronze
4. MIRALITE® VERSAILLES clear

MIRALITE® ANTIQUE and MIRALITE® VERSAILLES are available in 4 mm and 6 mm and in dimensions 3210 x 2250 mm.
